

Dubai

From shopping to sightseeing: Dubai is the land of luxury. Known for its ultramodern architecture, lively nightlife and luxury shopping, this glamorous city will not disappoint. The experience to be had in Dubai is truly out of this world, with incredible attractions including the Underwater Zoo and the highest viewing platform in the world. This time of year is the best for travellers to visit, avoiding the scorching summer to be greeted with the pleasant Winter sun. From start to finish, a trip to Dubai would scream opulence and splendour—especially with its abundance of notably extravagant hotels and resorts.

Things to do...

For adrenaline...

- Visit Dubai's most popular attraction, Burj Khalifa: the highest viewing platform in the world
- Zoom through shark filled lagoons at the huge Aquaventure Waterpark, which includes ziplines, swimming with dolphins, over 30 exhilarating slides, sea lion encounters and the region's biggest aquarium.

For romance...

- Watch the mesmerising lights and glorious views go by on a blissful dinner cruise along the stunning Dubai Creek

For the active...

- Embark on a riveting Desert safari tour, complete with camel rides and dune bashing

For culture...

- Experience the Underwater Zoo, complete with the infamous shark and ray filled underwater tunnel.
- Marvel at the Dubai Fountain, the world's largest choreographed water system.

For the luxury...

- Indulge in elaborate shopping, dining and entertainment within the Global village— and enjoy the perks of a visit in January when the Dubai Shopping Festival is held.
